

## 20th Anniversary of BPF

This year, we celebrate 20 years of the Bob Perks Cancer Assistance Fund! The Bob Perks Fund was established in 2006 in loving memory of Bob Perks, a State College native, Penn State baseball player, and co-founder of the Penn State chapter of Coaches vs. Cancer. Throughout the past 20 years, we have raised and given out more than 3.5 million dollars to more than 6,000 cancer patients across our seven-county service area. Please stay tuned for more information regarding our 20-year celebration, coming soon!

## 14th Annual Rock the 80's Concert

THANK YOU to all those who popped their collars, pulled on their leg warmers, and joined us for the 14th Annual Rock the 80's Concert on February 21, 2026. This rockin' event raised a fantastic \$22,308.81 to help ease the financial burden of our local cancer warriors. Special thanks to James Miller and Dave McKee, JR Mangan, Jeff Brown, The State Theatre, our six talented local bands, American Legion Post 245, all our sponsors, and everyone who made this event such a rousing success! Last, but not least, thank you to all of our dedicated board members and volunteers, especially Kish Bank's Kish CATS. We truly couldn't have done it without you. We hope to see you next year at the 15th Annual Rock the 80's!
