

Kish for the Cure

Since 2012, Kish Bank has raised over \$265,000 for Pennsylvania Pink Zone fighting against breast cancer during its annual Power of Pink campaign. In addition to Pink Zone, Kish expanded its efforts with Kish for the Cure, supporting two more local cancer-related nonprofits: Bob Perks Cancer Assistance Fund and Mifflin Juniata Relay for Life. Through the exceptional hard work and generosity of Kish employees, led by Bill Hayes, Chairman and CEO and Greg Hayes, President and COO, the 2021 Kish for the Cure campaign raised a total of \$43,761. A grant of \$17,505 was made to the Bob Perks Fund. Thank you, Kish Bank!
